Thank you for supporting our Mothers Day Event!

Wates Family Enterprise Trust

A Year 6 parent recently notified us of a scheme running within the company she works for, **Wates Group**. In 2008, the Wates Family Enterprise Trust set up 'Wates Giving'. The programmes priority is to empower initiatives and make a real difference to society by operating a number of award schemes enabling Wates employees to raise additional funds for good causes.

As soon as we heard about the scheme we knew this would be a fantastic opportunity for us and set to work making a video to enter our school into the 'Wates 100 for 500 Campaign' to try and be one of the lucky winners of £500 towards our ultimate goal of an outdoor classroom. We won!

Please keep checking at home, at work and with friends and family to see if you have any old cartridges which can be brought into school- every cartridge makes a difference! We are doing well so far, keep them coming in!

Match Funding

If you work with an organisation that has a match funding policy, any money you/we raise could be matched by your employer. Companies match the fundraising total for an event that their employee is working on.

We would be grateful if you could see if your employer has a match funding scheme. Email gbff@chjs.net if you think you could help or for more information.

A big thank you to **Aviva & Wates Group** for Match Funding our Big Christmas Raffle! With their help, we raised an additional **£750!**

Dedicated PTA Events Website

Following feedback regarding online payments, we have recently set up our own dedicated PTA Events Website:

www.pta-events.co.uk/gbff

This website enables you to pay online for *most* events and this is where we will post any 'nearly new uniform' that we have for sale.

Please register on the website to ensure you don't miss out!
