What is Football Club?

Football Club will allow your child to explore the world of football with different weekly topics that will improve any player, no matter their level. Great for anyone who is new to the sport or is looking to expand their game.

What is Multi-Skills?

Multi-Skills is a combination of fun games that will include skills used within sports such as athletics, rugby, football, cricket, tennis, team games and other sports. Each week there will be a different topic to introduce participants to each of these areas. This will all be achieved through Fun and engaging games.

What is the Advanced Club?

This extra session is for those who have a passion to develop further within the session. We will extend their knowledge and understanding during this extended club. By booking the first session and Advanced Club after, parents are able to leave their children at school until 5:30pm to take part in these Clubs.
