MESSAGE FROM MR MARTIN:

Firstly, our thoughts and prayers go out to all those who have been affected either directly or indirectly by this awful virus, with a **massive shout out to all our NHS and essential workers**. We stayed open all Easter (averaging 15 pupils per day) and continue to have around 500 children working on line with our virtual school. We completely understand how challenging home-schooling is but we appreciate all the unseen hard work. Stay safe, we miss you.
