Year 1 Half Term Holiday Homework

Dear Parents and Friends of Castle Hill,

Wow...where has the first half term gone? We have been so impressed with the attitude of the children and they have all settled into Year 1 really well. We understand that the half term holiday may be busy (or very relaxed!), so here is a list of suggested activities for the children to complete. It is totally up to you how much homework you wish to complete, and we certainly do not expect your child to complete all of these activities.

Reading, Writing and Maths

Here is a list of activities you could complete that will recap learning from this half term:

- number formation
- capital letters
- number bonds to ten (two numbers that add together to make ten)
- reading to an adult regularly, including retelling any stories read.

Creative Tasks

Next half term, our topic is 'Fire! Fire!' - this is themed around The Great Fire of London. The children could make houses from the time of 1666 out of cardboard so that they develop their understanding of the types of houses that were in the fire. Alternatively, your child could do some research about the Great Fire of London and present it however they would like.

Have a fantastic break and we look forward to seeing the children after half term.
