Year 4 Half-Term Homework

Dear Parents and Friends of Castle Hill,

It is hard to believe half a term has passed already! We have been delighted with the attitude of the children, and are looking forward to the next half-term with lots of exciting things going on.

General tasks:

- Please continue to read regularly with your child! If your child is particularly enthused by a book, they could even create a book review to share with the rest of the class when they come back from half term.
- Please ensure your child practices times tables regularly! We would recommend using Times Tables Rock Stars for this, but please see your child's class teacher if you are unable to access it or would like something else.
- We have attached the Year 3 and 4 spelling list to this letter. Please go through some of these words with your child so that they become more familiar with them. The children can practise these creatively if they would like to.

Creative task

After half term, our topic will be 'Living sustainably'. Here are some ideas for what your child could do...

- They could make a list of what you already do to live more sustainably (this could be displayed creatively)!
- They could take lots of pictures of things they notice around the house or town that helps us to live more sustainably.
- They could design something that promotes sustainable living.

Our rehearsals for the Christmas play will be starting after half term.

We hope you have a fantastic half term and we look forward to seeing the children on Tuesday 5th November.
