Year 6 SATs Preparation: Booster Sessions and Parent Presentation

Dear Parents and Carers of Year 6 pupils,

As you may already be aware every year, the Year 6 team organises targeted **Booster Sessions** to help prepare the children for the SATs. These sessions are specifically designed to:

- **Recap and revise** previously taught learning.
- **Address any misconceptions** that children may have about a certain topic.

We are delighted that many members of the team have kindly offered their time to run these sessions, ensuring the children have consistent support, especially during the SATs week (**Monday 11th - Thursday 14th May 2026**).

Parent SATs Presentation

We warmly invite all parents and carers to join us for an important presentation where we will go over the SATs process. We will outline the access arrangements, review preparation strategies, and share some examples with you. Your attendance at this meeting is highly recommended, but for those who cannot make it, the presentation slides will be posted on Class Dojo shortly after the event.

Site	Date	Time
Rooksdown Parents	Tuesday 13 th January 2026	5:00 pm
Greenbank Parents	Thursday 15 th January 2026	5:00 pm

After-School Booster Session Details

The boosters at both sites will take place **every week on a Tuesday**. The first session will be on **Tuesday 13th January**, with the last session being **Tuesday 5th May**.

- **Time:** The sessions will start **straight after school** and will **end at 4:00 pm**.
- **Collection:** All children **must be collected promptly at 4:00 pm**.
- **Snack:** If you provide your own snack, please ensure it contains **no nut products**.

While we strongly encourage all children to engage with these sessions, please be assured that we will continue to support their SATs preparation extensively during regular school hours throughout the new year.

Action Required: Register Your Child

Please complete the following Google Form by **Wednesday 17th December** to confirm your child's attendance and so that we can group and timetable the children most effectively for each session -
