Year 6 SATs Boosters - Greenbank

Dear Parents and Carers of Year 6,

Every year, the Year 6 Team puts on Booster sessions to help prepare the children for their SATs. These sessions are designed to recap and revise previously taught learning and plug any gaps or misunderstandings that have been identified.

Initially, the sessions will run on an invite-only basis, with selected pupils invited to attend based on current progress and individual learning needs. This approach allows us to provide focused, targeted support. These sessions will run on a Thursday straight after school, 3:20pm-4:00pm. Further details, including the specific days, times and invited pupils, will be shared individually in the coming week.

From the Spring Term, the Booster Sessions will then be open to the entire Year 6 cohort, giving every pupil the opportunity to take part and benefit from the extra learning time.

Whilst we encourage all children to engage in these sessions, please be assured that we will continue supporting everyone in our usual school lessons as well!

Our SATs Talk in January, which you are warmly encouraged to attend, will outline how the SATs week will look and go over the process for preparing your children for them. We will send out a reminder about this nearer the time.

Thank you for your continued support in helping prepare all our Year 6 pupils for their SATs.

Kind regards

Miss Scarles and Miss Lounton
