

Bulb Planting - Greenbank

29th September 2020

Dear Parents and friends of Castle Hill,

Our bulb planting will be taking place on **Friday 16th October**. The children will be engaged in planting bulbs around the school grounds with their school teacher. Unfortunately, due to current restrictions this year, we are unable to invite family members into school to assist with the bulb planting. However, we will aim to take photos to share with you and upload them onto Class Dojo!

Can we please ask you to provide your child/children with a change of footwear i.e. wellington boots or spare trainers, as the grounds may be damp on the day. The school will provide tools this year so you **do not need** to send any into school.

We would also really appreciate any bulb donations – large or small – towards this event. Please send any donations into school by **Friday 9th October**. This will enable us to quarantine the bulbs for at least 72 hours (in line with Government guidance) before we can share out the bulbs between the classes.

Thank you in advance for your support.

The Castle Hill Team
