**WANT TO BE A...**

**Nursery assistant? Primary school teacher? Learning support assistant?**

**Come and discover how you can start or further your career working with children with an open event from Basingstoke College of Technology (BCoT) and Aspire Teaching Alliance.**

- Explore a range of training options.
- Speak to current students and newly qualified teachers.
- Get hints and tips on where to find the latest job vacancies.
- Hear from industry experts.

**No degree? No problem!**

BCoT's Foundation Degree in Children's Development can set you on the road to achieve a full degree with the University of Reading.

**Graduate or soon to be a graduate?**

Discover how you can train on-the-job as a primary school teacher through Aspire's School Direct Programme.
