Dear Parents and Carers,

We are excited to explore the launch of a brand-new After-School Gymnastics Club at Castle hill primary school, delivered by Active School UK.

To help us confirm whether there is enough interest to run the club from, we are inviting families to register their interest using the link below.

Once we reach the minimum number of pupils, we will contact families to request payment and confirm your child's place.

What the Club Offers

Our after-school gymnastics sessions are designed to help children:

- Build confidence, strength, and coordination
- Develop balance, flexibility, and core movement skills
- Work towards the UKAG Gymnastics Award Scheme
- Enjoy fun, structured physical activity in a safe environment

The club is suitable for all abilities, from beginners to those with previous experience.

How We Run Our Sessions

All sessions are delivered by fully qualified, DBS-checked, first-aid-trained coaches who specialise in school-based gymnastics.

Each week includes:

1. A warm-up and mobility section
2. Skill development through floor and apparatus
3. Fun challenges and partner/team work
4. Progress towards individual certificates and awards
5. A calm cool-down to finish

Children will be collected by the coach or brought to the hall by their teacher at 3.15pm and must be picked up promptly at 4.15pm from the agreed collection point.

How to Register Your Interest

To express interest in a place for your child, please complete the form within the link below:
