

Christmas Decoration Workshop

20th November 2024

Dearest Parents/ Carers,

Christmas, a time to celebrate joy and love, is just around the corner, and we are giving children the chance to design and create something special. Whether it's a gift for a loved one or a treasured keepsake to adorn your Christmas tree year after year, let's design and create something special this festive season.

We're excited to announce a special fundraising campaign, where children can design and create a x2 Christmas decorations, using confetti, artificial snow, sequins, glitters and coloured markers, complete with a gift wrap- all for just £5!

Here's how it works:

1. The Fundraising Friends have purchased Christmas decorations and baubles, confetti, artificial snow, sequins, glitters, coloured markers and gift wrap.
2. The children will design and assemble their x2 decorations, using the artistic resources.
3. Each set of x2 decorations will be gift-wrapped and ready to go home in time for Christmas. Please note the x2 decorations will be gift-wrapped together.
4. Support a good cause: All proceeds from this fundraiser will go directly towards enhancing our school community. Your donation will help fund this year's exciting school trips, stock our library with new books and hopefully support our sports teams with a brand-new kit. Let's make this Christmas a memorable one for our students!

You can purchase a space for your child and their x2 decorations online at <https://www.pta-events.co.uk/gbff>

When purchasing two or more sets of decorations for siblings, use the promo code SIBLING20 at the checkout, for a 20% discount.

Orders must be placed by **Wednesday 4th December at 12:30pm**. We have 100 spaces so this is strictly on a first come, first served basis. The workshop will happen during school hours and the decorations will be sent home in time for Christmas.

Thank you for your continued support.

Sincerely,

Fundraising Friends Greenbank
