### Year 4 Christmas Homework

Dear Parents and Friends of Castle Hill,

It is hard to believe a term has passed already! The children have been working incredibly hard and we are looking forward to the next half-term with lots of exciting things going on.

We would like to start by saying a HUGE thank you for all of your help with our Christmas production. The costumes you helped provide were amazing, and thank you for helping the children to learn their lines. We hope you enjoyed the show!

#### General tasks:

- Please continue to read regularly with your child. If your child is particularly enthused by a book, they could even create a book review to share with the rest of the class when they come back from half term.
- Please ensure your child practices times tables regularly. We would recommend using Times Tables Rockstars for this, but please see your child's class teacher if you are unable to access it or would like an alternative.
- We have attached the Year 3 and 4 spelling list to this letter. Please go through some of these words with your child so that they become more familiar with them. The children can practise these creatively if they would like to.

#### Creative tasks:

After Christmas, we will be looking at robots! Here are some ideas for what your child could do...

- They could make or design their own robot.
- Write a diary as a robot.
- Write a poem about or as a robot.
- Some research and a poster about different robots.

We hope you have a fantastic Christmas and we look forward to seeing the children on Monday 6<sup>th</sup> January.
