

Castle Hill Primary School Fundraising Friends - Greenbank

2nd May 2024

Dearest Parents/ Carers,

Father's Day is just around the corner, a time to celebrate the exceptional father figures who have shaped our lives with unwavering love, laughter, and support. This year, we will create meaningful alternative to traditional gifts, fostering creativity and lasting memories.

We're excited to announce a special fundraising campaign, where children can design and create a Father's Day Pebble Portrait, using colourful stones on a keepsake wooden plaque, complete with a personalised message- all for just £5!

Here's how it works:

1. The Fundraising Friends have purchased wooden plaques, marble colourful stones and markers.
2. The *children* will design and assemble their pebble portraits using colourful stones on keepsake wooden plaques. They'll then personalise their artwork with heartfelt messages using markers.
3. Each pebble portrait will be presented in cellophane and ready to go home in time for Father's Day- sure to bring a smile to his face.
4. Support a good cause: All proceeds from this fundraiser will go towards our outdoor improvements cause. You may have already seen the start of the 'Secret Garden' projects and the 'Book Nook', all of which the Fundraising Friends helped to purchase. By showing those special men in our lives how much you care, you'll also be helping to make a difference in our community.
