

Castle Hill Primary School **HEALTH AND SAFETY POLICY**

Date of last review:	September 2026 (using HCC Template 6.1)
Name of Headteacher approving this policy:	Rebecca Willmouth
Signature of Headteacher:	Rebecca Willmouth
Signature of Chair of Governors approving this policy:	Kevin Watson
Date for next review of this policy:	September 2027

Castle Hill Primary School is on two campuses:
 Greenbank Campus which has a PAN of 240 KS2 pupils
 Rooksdown Campus which has a PAN of 420 EYFS, KS1 and KS2 pupils

STATEMENT OF INTENT

It is our policy to conduct our activities in such a way as to ensure so far as is reasonably practicable, the health, safety and welfare of our employees and all persons likely to be affected by our activities including the general public where appropriate. We will co-operate and co-ordinate with partnerships, contractors, sub-contractors, employers, Hampshire County Council departments and the occupiers and owners of premises and land where we are commissioned to work to pursue our Health and Safety Policy aims.

Our aims are to:

- Provide and maintain a safe and healthy working environment ensuring the welfare of all persons
- Maintain control of health and safety risks arising from our activities
- Comply with statutory requirements as a minimum standard of safety
- Consult with all staff on matters affecting their health, safety, and welfare
- Provide and maintain safe systems, equipment, and machinery
- Ensure safe handling, storage, and use of substances
- Provide appropriate information, instruction, and supervision for everyone
- Ensure staff are suitably trained and competent to do their work safely
- Continually develop a safety culture to remove or reduce the possibility of accidents, injuries, and ill-health
- Assess risks, record significant findings, and monitor safety arrangements
- Review and revise safety policies and procedures periodically and when circumstances may introduce a requirement to amend or improve arrangements
- Develop and maintain a positive health and safety culture through regular communication and consultation with employees and their representatives on health and safety matters

Our health and safety management system has been developed to ensure that the above commitments can be met. All staff and governors will be instrumental in its implementation.

ORGANISATION

The current organisation chart is located here -> [Staff List](#)

Employer Responsibility	
The overall responsibility for health and safety is held by:	Hampshire County Council
The employer is responsible for making sure that risks are managed so far as is reasonably practicable. The employer will: • Set clear Health and Safety policies and procedures • Ensure that health and safety have a high profile • Ensure adequate resources for health and safety are made available • Consult and advise staff regarding health and safety requirements & arrangements • Periodically monitor and review local health and safety arrangements	

Responsible Manager	
The Responsible Manager for the premises is:	Rebecca Willmouth (<i>Co-Executive Headteacher</i>)
The Responsible Manager will act to: • Ensure the school adopts the employer's policies and procedures • Develop a safety culture throughout the school • Consult employee and provide information, training, and instruction so that employees can perform their various tasks safely and effectively • Consult and work with recognised Trade Union Safety Representatives/employee representatives and safety committees • Assess and control risk on the premises as part of everyday management • Ensure a safe and healthy environment and provide suitable welfare facilities • Make operational decisions regarding health and safety • Ensure periodic safety tours and inspections are conducted • Ensure significant hazards are assessed and risks are managed to prevent harm • Ensure employees are aware of their health and safety responsibilities • Periodically update governing bodies/partnerships as appropriate • Produce, monitor, and periodically review all local safety policies and procedures	

All Employees (including Teachers, Support Staff, Site Staff, and Volunteers)
All employees have a statutory obligation to co-operate with the requirements of this policy and to take care of their own health and safety and that of others affected by their activities by: • Supporting the school's health and safety arrangements

- Ensuring their own work area always remains safe
- Not interfering with health and safety arrangements or misusing equipment
- Complying with all safety procedures, whether written or verbally advised, for their own protection and the protection of those who may be affected by their actions
- Reporting safety concerns to their staff representative or other appropriate person
- Reporting any incident that has led, or could have led to damage or injury
- Assisting in investigations due to accidents, dangerous occurrences, or near-misses
- Not acting or omitting to act in any way that may cause harm or ill-health to others

Assistant Head Teachers/Phase Leads/Head of Year/Line Manager

Assistant Head/Heads of Year/Line Managers are responsible for the day-to-day local management of health and safety within their own department, acting on behalf of the Headteacher. They will ensure that staff are provided with adequate safety information, and they will manage all integral and specific risks relating to the department's functions. They will ensure their department complies with overall school policies and procedures, all activities are periodically risk assessed, periodic inspections are conducted, and necessary controls are implemented.

Health & Safety Committee

The role of the health & safety committee is to assist in the assessment of safety related matters and provide appropriate support to the Headteacher. The health & safety committee periodically meet to monitor and discuss on-site health and safety performance and recommend any actions necessary should performance appear or prove to be unsatisfactory. The health & safety committee will be informed of all changes in practices and procedures, new guidance, accidents, incidents, and risk related matters.

The safety committee consists of:

Kevin Watson (H&S Governor)
 Louise Riordan (School Business Manager)
 Pete Vincent (Senior Site Manager)
 James Tutton (Site Manager)

Who hold meetings every:

Three to four times a year, at least once a term and provide feedback to the school's full governing body on a termly basis.

Governors

The Health and Safety Governor responsible for the premises is:

Kevin Watson

The H&S Governor will:

- Ensure that Hampshire County Councils Health and Safety policy is enacted.
- Ensure that safety is effectively managed in schools and that there are processes in place to evaluate the effectiveness of Health and Safety arrangements.
- Ensure that schools Health and Safety policy is reviewed every 3 years and updated where appropriate (recommend that there is an annual review to make sure it up to date).

- Ensure that reasonable steps are taken to safely manage premises, plant, equipment and substances provided for work use are safe and without risk to health.
- Ensure that schools have suitable and sufficient risk assessments in place, findings are documented and communicated to staff and others, controls implemented and are regularly reviewed.
- Ensure regulations and guidelines appertaining to school activities, off-site activities and educational visits are being followed.
- Make decisions on Health and Safety where there is a significant implication in terms of cost.
- Make decisions on Health and Safety standards to be included in contract specifications when they have responsibility for awarding their own contracts.
- Comply with any directions given by Hampshire County Council concerning Health and Safety.
- Promote wellbeing for staff and pupils in terms of their physical, mental and emotional wellbeing.
- Contribute to the schools Health and Safety culture.

Specific Health and Safety Responsibilities

Accident Investigator

The Accident Investigator is:

James Tutton – Site Manager

The Accident Investigator will attend accident investigator training every 3 years.

The on-site trained accident investigator will lead on all on site accident investigations in accordance with corporate procedures.

Asbestos Nominated Responsible Person

The Nominated Responsible Person (NRP) for Asbestos is:

Pete Vincent – Senior Site Manager

The NRP will attend the Hampshire Scientific Services Asbestos awareness taught course on appointment. They will also complete the Asbestos e-learning course annually.

The NRP will act on behalf of the Headteacher to provide the necessary competence to enable asbestos to be managed safely in accordance with the Corporate Procedure.

The NRP will ensure that all employees have a reasonable awareness of asbestos management and dangers, that appropriate staff are competent in the use of the asbestos register, and that asbestos is managed in accordance with departmental and corporate requirements. They will advise the Headteacher of any condition or situation relating to asbestos which may affect the safety of any premise's users.

They will work within their level of competence and seek appropriate guidance and direction from the Asbestos Team, Property Service, the Headteacher and/or the Children's Services Health & Safety Team as required.

COSHH Assessor	
The COSHH Assessor is:	Pete Vincent – Senior Site Manager
The COSHH Assessor will attend the COSHH assessor training course every 3 years.	
The COSHH Assessor is the competent person for the assessment of all the hazardous substances on the premises. They will work within their level of competence and seek appropriate guidance and direction from the Headteacher and/or the Children's Services Health & Safety Team as required.	

DSE Assessor	
The DSE Assessor is:	James Tutton – Site Manager
The DSE Assessor will attend the DSE assessor training course every 3 years.	
The on-site trained DSE Assessor's role is to support the school with assessing the needs of the DSE Users in accordance with departmental and corporate procedures.	

Fire Safety Co-ordinator	
The Fire Safety Co-ordinator (FSC) is:	Pete Vincent – Senior Site Manager
The Fire Safety Co-ordinator will attend the Fire Risk Assessment Principles and Practice training course every 3 years.	
The (FSC) is the competent person for fire safety on the premises and acts on behalf of the Headteacher. The FSC is responsible for the local management and completion of day-to-day fire safety related duties and upkeep of the fire safety manual.	
The FSC will work within their level of competence and seek appropriate guidance and direction from the Headteacher and/or the Children's Services Health & Safety Team and the Property Services Fire Team as required.	

On-Site Health & Safety Co-ordinator/Officer	
The H&S Co-ordinator is:	Pete Vincent – Senior Site Manager
The on-site H&S Co-ordinator/Officer for the school will manage, advise and co-ordinate local safety matters on behalf of, and under the direction of the Responsible Manager.	
They will work within their level of competence and seek appropriate guidance and direction from the Headteacher and/or the Children's Services Health & Safety Team as required.	

Health & Safety Representative	
The H&S Representative is:	Pete Vincent – Senior Site Manager
The premises Health and Safety Representative (whether a member of staff who is union appointed, or non-union and locally nominated) will represent the staff with regard to their health and safety at work. They are expected to promote a positive safety culture throughout the premises and perform the health and safety duties appropriate to their role in accordance with current guidance and legislative requirements.	

Legionella Nominated Responsible Person	
The Nominated Responsible Person (NRP) for Legionella is:	James Tutton – Site Manager
The NRP will complete the Legionella e-learning course annually.	
The Nominated Responsible Person for Legionella on the premises acts on behalf of the Headteacher to provide the necessary competence to enable Legionella to be managed safely. The NRP will ensure that all periodic and exceptional recording, flushing, cleaning, and general legionella management tasks are correctly completed and recorded in accordance with departmental and corporate requirements. They will work within their level of competence and seek appropriate guidance and direction from the Headteacher and/or Property Services as required.	
Risk Assessor	
The Risk Assessors are:	Pete Vincent – Senior Site Manager James Tutton – Site Manager
The Risk Assessor will attend Risk Assessor training every 3 years.	
The Risk Assessor acts on behalf of the Headteacher to ensure risk assessments are completed and hazards are identified and managed. They will work within their level of competence and seek appropriate guidance and direction from the Headteacher and/or the Children's Services Health & Safety Team as required.	
Site Safety Trained Staff	
The Site Safety Manager for the premises is:	James Tutton – Site Manager
They will attend the Safety Awareness for Facilities Managers training course every 3 years.	
The site safety trained employee is the competent person for the overall management of school premises and facilities and acts on behalf of the Responsible Manager. They are responsible for the local management and completion of day-to-day premises tasks. They will work within their level of competence and seek appropriate guidance and direction from the Headteacher and/or the Children's Services Health & Safety Team as required.	
Work at Height	
The competent persons for work at height on the premises is:	Pete Vincent – Senior Site Manager James Tutton – Site Manager Kellyann McKenna – Caretaker Michael Nash - Caretaker
They will attend the Caretaking Support Service Ladder & Stepladder Safety course every 3 years.	
The competent person for working at height acts on behalf of the Headteacher and will ensure work at height is carried out safely.	

They will work within their level of competence and seek appropriate guidance and direction from the Headteacher and/or the Children's Services Health & Safety Team as required.

ARRANGEMENTS

The following arrangements for health and safety have been developed in accordance with the Management of Health and Safety at Work Regulations 1999. These arrangements set out all the health and safety provisions for Castle Hill Primary School and are used alongside other current school procedures & policies.

In carrying out their normal functions, it is the duty of all managers and employees to act and do everything possible to prevent injury and ill-health to others. This will be achieved as far as is reasonably practicable, by the implementation of these arrangements and procedures.

Accident/Incident Reporting & Investigation

The on-site management, reporting and investigation of accidents, incidents and near misses is conducted in accordance with the corporate procedure requirements.

Any accident, incident or injury involving staff, visitors, contractors, and the more serious accidents/incidents to children are to be reported using the '[Accident Notification Form](#)' and also recorded via the online HCC Accident/ incident reporting system by the Site Manager or a member of the premise team who will report on the HCC Portal). If the paper version is used, it will need to be added to the on-line system as soon as practical.

A copy of the completed incident report is automatically received by the Children's Services Health & Safety Team, the person who reported the incident, and the Manager/Accident Investigator.

Where an investigation is completed, this will be recorded and submitted on the online reporting system within 7 days.

A copy of the completed incident report is automatically received by the Children's Services Health & Safety Team, the person who reported the incident, and the Manager/Accident Investigator.

Following the completion of an online incident report, an investigation must be carried out as soon as practicable after the accident. Managers will receive an email request to complete an investigation, with a link to the investigation form.

Minor accidents to pupils are to be recorded in the *First Aid Incident Folders* that are in the classrooms and medical rooms at both Premises. Any first aid treatment that is administered in the classrooms is to be recorded in the classroom *First Aid Incident Folders*.

The Children's Services Health and Safety Team will review every incident reported on the online system and identify which are notifiable to the Health & Safety Executive (HSE) under the Reporting of Injuries Diseases and Dangerous Occurrences Regulations (RIDDOR). If reportable, the Children's Services Health and Safety Team will report the incident to the HSE, and a copy of the report will be sent to the school. (*In non-HCC controlled schools, the report to the HSE will need to be completed by the Employer.*)

The Headteacher will ensure that the governing body/senior management is informed of all incidents of a serious nature. All accident/incident reports will be monitored by the Site Manager and Health & Safety Committee for trend analysis to prevent recurrences. The governing body should be regularly updated on monitoring and any trends identified.

Community Users/Hirers/Extended Services must report all incidents related to unsafe premises or equipment to the school, who will report and investigate each incident. Incidents related to the user's own organised activities are to be reported by them in line with their own reporting procedures.

Asbestos Management

Asbestos management on-site is controlled by the Nominated Responsible Person (NRP) for Asbestos. The asbestos register, as issued by the Asbestos Team is located online via the Alpha Tracker and a printed copy is also available and is to be shown to all contractors who may need to conduct work on site. Contractors and anyone undertaking intrusive work must read and sign the register prior to being permitted to commence any work on site.

The Responsible Manager and the NRP will complete the asbestos checklist relevant to their role (one for each role) when they are appointed. Copies of these will be retained with the asbestos register.

On appointment the NRP (and other employees who may carry out invasive works) will also attend the Hampshire Scientific Services half day attendance course. After this the Responsible Manager, NRP and any other employees who may disturb the fabric of the building will complete the Asbestos Awareness e-learning annually.

Any changes to the premises' structure that may affect the asbestos register information will be notified to the Asbestos Team in order that the asbestos register may be updated accordingly.

Under no circumstances must contractors or employees drill or affix anything to walls that may disturb materials without first checking the register to ensure it is safe to do so and/or obtaining approval from the NRP.

Any damage to any structure that possibly contains asbestos, which is known or identified during inspection, should be immediately reported to the Headteacher and/or the NRP who will immediately act to cordon off the affected area and contact the Asbestos Team for guidance. Any contractor suspected to be carrying out any unauthorised work on the fabric of the building will be immediately stopped from working and immediately reported to the Headteacher and/or NRP.

Community Users/Hirers/Extended

The Headteacher/Senior Site Manager will ensure that:

- Third parties and other extended service users operate under hire agreements
- A risk assessment for the activity is completed and shared with all relevant parties
- The risk assessment for the premises is shared with the users/hirer
- The premises are safe for use and is always inspected prior to, and after each use
- Means of general access and egress are safe for use by all users
- All provided equipment is safe for use

- First aid procedures are agreed
- Fire escape routes and transit areas are safe and clear of hazards
- Hirers/users are formally made aware of fire safety procedures and equipment

Contractors on Site

For HCC schools' contractors will be selected from HCC minor works framework where possible. If the minor works framework cannot be used, the Selection of Safe Contractors Assessment Checklist will be used to ascertain competence and suitability prior to engaging their services. The school's Management Surveyor will be contacted for further guidance.

All contractors must report to the main reception where they will be asked to sign into the school site using the Sign-in App and asbestos register and will also read the Premises health and safety leaflet as well as our safeguarding leaflet. All contractors will be issued with the local written contractors' induction brief that includes all relevant details of fire safety procedures & local safety arrangements.

All employees are responsible for monitoring work areas and providing appropriate levels of supervision.

Curriculum Activities

The 2024-25 curriculum leads for the school covering both school sites are:

	Rooksdown	Greenbank
Art	Gill Clarke	Alice Lounton
Design and Technology	Gill Clarke	Alice Lounton
English	Emma Hopkins (MLOA cover)	Olivia Buckingham (MLOA June'26) Charlotte Edwards (MLOA cover)
EYFS	Heleena Chennells	N/A
Geography	Rose Cripps Ashley Clarke	Rose Cripps Ashley Clarke
History	Marcus Schelts	Ashley Clarke
I.C.T.	Chris Smith	Chris Smith
Maths	Izzy Scarr Sonal Finn (Deputy)	Izzy Scarr Sonal Finn (Deputy)
Music	Mike Petrillo	Mike Petrillo
Outdoor Learning/Eco Champions	Emma Hopkins Karla Henderson	Vacancy to be filled
P.E.	Sophie Gill (MLOA 11.09.26) Maisie Bagshaw (01.09.26)	Joe Wilding (shadowing, GB support for Maisie)
Phonics	Sophie Gill (MLOA 11.09.26) Emma Hopkins (01.09.26)	N/A
PHSE	Karla Henderson	Rosie Spencer

R.E.	Vacancy to be filled	Charlotte Edwards Vacancy tbc
Science	Chloe Moore Jennifer Lancaster	Chloe Moore Jennifer Lancaster
Heads of Year for 2026-27		
Year	Rooksdown	Greenbank
R	Mrs H Chennels	
1	Miss E Hopkins	
2	Mrs C Moore	
3	Mrs A Barker	Miss C Edwards
4	Miss M Bagshaw	Miss A Lounton
5	Miss I Scarr	Mrs R Spencer / Miss H Cocker
6	Mrs S Finn	Miss A Mould
The curriculum lead/s will act on behalf of the Headteacher to provide the necessary competence to enable curriculum subjects to be carried safely and in accordance with the requirements and best practice. They will ensure that all employees have a reasonable awareness of the hazards and the control measures in place. They will advise the Headteacher of any condition or situation which may affect the safety of any premise's users. They will use the appropriate codes of practice and safe working procedural guidance for Design & Technology, Science, Music, Physical Education & Sport, Art, Swimming and Drama as issued by CLEAPSS, HIAS and Hampshire County Council.		

Head of Year – Risk Assessments
Work with the Risk Assessor to complete risk assessments for any school trips, out of hours' performances or parent evenings, year group visitors etc. They will work within their level of competence and seek appropriate guidance and direction from the Risk Assessor, Headteacher and/or the Children's Services Health & Safety Team as required.

Display Screen Equipment
All Display Screen Equipment (DSE) users will complete the display screen equipment e-learning course annually. All DSE users will carry out periodic workstation assessments using the Corporate Workstation Assessment Form. Findings from the workstation assessments will be actioned as necessary by line managers and routinely reviewed at intervals not exceeding three years. DSE users have the right to request regular free eyesight tests and be reimbursed towards spectacles if required for DSE use.

Electrical Equipment

The Headteacher will ensure that:

- Only authorised and competent persons are permitted to install or repair electrical equipment
- Equipment is not used if found to be defective in any way
- Defective equipment is reported & immediately taken out of use until repaired or disposed of
- All portable electrical equipment is inspected/tested at intervals of 1 year but will not exceed 3 years
- Equipment testing/inspection is conducted by a competent person. The competent person is Hooper Services
- Personal electrical equipment is not brought onto the premises or used unless it is approved by management and has been tested
- New equipment is added to the work equipment inventory and PAT testing/inspection schedules.

Any defective or suspected defective equipment, systems of work, fittings etc. will be removed from use, reported to the Premise team and repaired or disposed of as soon as possible.

Emergency Procedures

The Headteacher will ensure that emergency procedures for non-fire related emergencies (gas leak, bomb threat, flooding etc.) are in place.

All employees will receive information, training and instruction on the non-fire emergency procedures and evacuation plans on induction. Employees will be periodically provided with updated information as the emergency procedures are routinely reviewed and amendments are introduced.

Personal Emergency Evacuation Plans (PEEPs) will be completed and reviewed for any vulnerable persons to ensure provision of safe, assisted evacuation in the event of an emergency incident.

Generic Emergency Evacuation Plans (GEEPs) will be put in place for any common issues such as children attending school for a short duration on crutches.

Fire Safety

Arrangements regarding fire safety are set out in the Fire Safety Manual. The Fire Safety Co-ordinator is the competent person for fire safety on the premises and is the immediate point of contact for all fire safety related queries on site.

The Headteacher as Responsible Manager will ensure through the Fire Safety Co-ordinator that:

- All employees complete the mandatory fire safety induction e-learning course every year
- Fire safety information is provided to all employees at induction and periodically thereafter
- Fire evacuation procedures, fire safety training and fire equipment inspection and testing are carried out in accordance with corporate guidance and the premises fire safety manual
- The fire manual is reviewed annually by the Fire Safety Co-ordinator, the Headteacher, and Governors making the necessary amendments
- Information from the fire risk assessment is shared with employees annually

The Responsible Manager will ensure that trained Fire Marshals are in place to assist in fire evacuation.

First Aid

Arrangements regarding first aid provision are set out in the *First Aid Policy*. The names and locations of the first aid trained staff on site are listed in *the First Aid Policy* and in the medical rooms at both school sites.

A First Aid Needs Assessment will be carried out to determine the level of first aid provision required and is completed by the School Business Manager / Site Manager annually. First aid provision will be regularly monitored, and equipment checks recorded.

First aid is never to be administered by anyone except first aid trained employees with in-date training certification, operating within the parameters of their training.

Glazing

Glass and glazing on-site has been surveyed by Property Services and risk assessed by the school. The survey and assessment document are kept electronically on the drive in the *O:\Health and Safety\1. Health & Safety_Current\Glazing Survey* and is reviewed and updated when there are changes to the premises and/or glazing.

Any damaged glazing will be reported to the Premise team and made safe and replaced as soon as possible.

Hot Water and Hot Surfaces

Arrangements for the management of hot water and hot surfaces have been put into place to protect students, staff and members of the public. The hazards have been identified and recorded in Provision of Refreshments and Classroom risk assessments.

Control measures have been put into manage the risk and these have been shared with staff and where necessary others. If a new hazard is identified or brought onto site this needs to be notified to the risk assessor for adequate control measures to be put into place.

The control measures include:

- Clearly marking hot water sources
- Only allowing children to access temperature controlled hot water unsupervised
- Hot pipes and surfaces being boxed in or insulated
- Staff provided with silicone lids/covers for hot drinks
- Staff members carrying out break duty will only use a screw top mug
- Radiator covers installed in Year R classrooms

Housekeeping & Hygiene

Good housekeeping is an essential factor in effective health and safety. The following conditions will be adhered to:

- All corridors and passageways kept free from obstruction
- Shelves in storerooms and cupboards stacked neatly and not overloaded
- Floors kept clean, dry, and free from slip and trip hazards
- Emergency exits, and fire doors not obstructed in any way
- Supplies stored safely in their correct locations
- Rubbish and litter cleaned and removed at the end of each working day
- Poor housekeeping or poor hygiene conditions reported

Hazardous Substances (COSHH)

Hazardous substances, materials, and chemicals **are not permitted to be used on-site until:**

- Safety data sheets have been obtained
- A written COSHH assessment is completed by the trained COSHH assessor
- The product is approved for use by the Headteacher

When using a hazardous substance, employees will ensure that adequate precautions are taken to prevent ill-health and injury to themselves and others. Employees will be trained before using a hazardous substance and must follow safe working practices and use protective equipment if identified in the COSHH assessment.

All hazardous substances are stored appropriately in locked and clearly labelled stores in accordance with the relevant safety data sheets.

Hazardous substances are stored in the secure and signed storage when not in use which is in a cupboard next to the plant room at Greenbank and in the outside Premises cupboard at Rookdown. This is to always remain locked.

Inspections and Monitoring

It is the responsibility of **all employees** to monitor the condition of their workplace throughout the day. Monitoring and inspections of individual departments is carried out by Head of Years, Subject Leads as nominated by the Headteacher.

Periodic documented inspections of the premises will be carried out every term in accordance with the premises' inspection schedule. Inspection findings will be recorded on the locally adapted Premises Safety Inspection Checklist.

All defects identified must be reported to the Premise team.

Any identified high-level risks or safety management concerns will be addressed/actioned at the triage meeting or Health and Safety Committee Meeting whichever happens first.

Kitchens

The main kitchen area is only to be used by authorised employees/third parties.

The main kitchen is managed by Chartwells. Any persons not normally authorised but wishing to enter the kitchen area must gain approval prior to entry and must strictly adhere to the kitchen safe working practices.

Other kitchen areas, canteens and food preparation areas are managed by Chartwells.

Where kitchens are managed by third parties, relevant safe systems of work and risk assessments will be shared between the third party and school.

Legionella

The Legionella Nominated Responsible Person (NRP) will manage and undertake all processes regarding Legionella in accordance with Hampshire County Council corporate procedure. They will:

- Record sentinel point temperatures on the online reporting system
- Regularly flush unused outlets
- Report any alterations to the water system
- Undertake descaling and disinfection

In the absence of the NRP the Headteacher will arrange for competent cover to be in place to fulfil all the required duties to manage legionella at the school.

Lone Working

A risk assessment will be carried out to categorise each lone workers' role and the risk presented, in accordance with the Corporate Lone Working Procedure. To further reduce the risks lone workers should not undertake hazardous tasks whilst working alone, e.g.:

- Working at Height
- Using hazardous equipment/tools (i.e. hedge trimmers)

Lone working will only take place:

- With the Headteacher's approval
- Following risk assessment
- Where it cannot be avoided
- Please ensure a family member or friend is aware that you are going into school
- Please ensure the Premise team and/or your line manager are aware you are going into school

The lone working arrangements for employees who undertake lone working on site is recorded on the lone worker risk assessment on iAMCompliant.

Moving and Handling

All employees will complete the moving and handling e-learning course every year without exception. This will be assigned in ESSLite at the start of each academic year (or on joining) and should be completed by October Half Term. *Moving and Handling Foundation/Refresher (All Staff) - (LMS_ELG_HCC_CR_HWFD_HLSF_07232ELG)*

Employees are not permitted to regularly handle or move unreasonably heavy or awkward items, equipment, or children unless they have attended specific moving and handling training.

The Premise team are expected to undertake regular physical work which would typically include regular moving and handling; therefore, they will attend a formal moving and handling course specific to the work requirements.

All moving and handling tasks are risk assessed before they are undertaken in accordance with the Corporate Moving and Handling Procedure.

New and Expectant Mothers

When notified that a member of staff is pregnant the school will undertake a risk assessment for that individual. This will be undertaken by their Line Manager and the individual.

This assessment will be reviewed regularly throughout the pregnancy and the return to work to ensure that reasonable adjustments are made.

Off-site Activities

Arrangements regarding off-site activities are managed in accordance with the Hampshire Outdoors procedures and guidance.

Provision of Information

The Headteacher will ensure that employees are periodically provided with information regarding safety arrangements, this information is shared at These systems are morning briefings, **staff meetings, SLT meetings, HoY meetings, Governor's meetings (& associated meeting minutes), e-mail distribution, School Communications from HCC, signature-based receipt of information.**

Visitors and Contractors are provided with Health and Safety Information on arrival by a member of the Premise or Admin Team.

The Health and Safety Law poster is displayed in the **staff room at both schools.**

Local health and safety advice is available from the Premise Team and the Children's Services Health & Safety Team can provide both general and specialist advice which is available on their website or on request.

Risk Assessment

Risk assessments will be carried out where a significant risk is identified or is reasonably foreseeable.

The trained risk assessor will oversee the completion of risk assessments. Risk assessments will be carried out by employees with the appropriate knowledge and understanding of the area, task or equipment being assessed.

All risk assessments and associated control measures will be approved and signed by the Headteacher.

Completed risk assessments are listed in the assessment register which is located on drive in the [Risk Assessment](#) folder and will be reviewed periodically in accordance with the risk assessment review schedule. We are beginning to transfer all risk assessments over to the iAMCompliant system.

Employees will be informed, where appropriate, of hazards and control measures identified in risk assessments. Risk assessments will be shared with employees and relevant third parties periodically and when there are changes.

Security

Arrangements regarding security are based on the premises security risk assessment and are set out in the on-site security policy & procedures which include emergency unlock routines. A copy of the most up to date policy is available in iAMCompliant.

Please use the '[Site Security Notification Form](#)' to notify the Premise team of any Security Incidents that happen within the school grounds at Greenbank or Rooksdown.

A Security Incident is defined as:

- An incident placing a person or property at risk that requires action by police authorities or security personnel whether they were summoned or not.
- An incident placing a person/employee at risk during the performance of their official duties. This classification includes - while walking to or from an off-site parking facility at the start or end of the workday.
- An incident of a suspicious or unusual nature on School Property that place people or property at risk
- An incident that occurred during non-business hours that impacts or affects the workplace.

Smoking

Smoking and use of e-cigarettes/vaporizers is not permitted on school premises.

If you smoke, then you will need to go off the premises and away from any school entrances ensuring that nothing is worn that identifies you as being a Castle Hill Primary School member of staff. Smoking is only permitted during break times.

Contractors are informed of the policy before starting work on site and will be monitored by the Premises team.

Stress & Wellbeing

Castle Hill Primary School is committed to promoting high levels of health and wellbeing and recognises the importance of identifying & reducing workplace stressors.

Stress management through risk assessment and appropriate consultation with staff will be periodically reviewed and acted upon in accordance with the Children's Services' and Health & Safety Executive's Management Standards, guidance and requirements.

School arrangements to monitor, consult and reduce stress situations are managed via staff meetings and through the encouragement of a work life balance.

Training

Health and safety induction training will be provided and recorded for all new employees, including temporary workers and volunteers in accordance with the New Staff Induction Checklist. The Responsible Manager/Headteacher will ensure that all employees are provided with adequate information, instruction, and training regarding their safety at work. Training needs analysis will be conducted, from which a comprehensive health and safety training plan will be developed and maintained.

All employees will be provided with the following training as a minimum:

- Induction training including the requirements of the school health and safety policy
- Local training including risk assessments and safe working practices
- Information following health and safety policy or procedural changes
- Relevant annual e-learning courses to meet mandatory corporate training requirements
- Role specific training
- Refresher training as required

Training records are held by the School Business Manager who is responsible for co-ordinating all health and safety training requirements, maintaining the health and safety training plan, and managing the planning of refresher training for all employees.

Transport – Driving for Work

In accordance with the Corporate Procedure - Driving for Work the school will risk assess staff driving for work purposes and when this should be undertaken.

Any member of staff that does need to drive for work purpose must be fit to drive and:

- Have the correct license to drive the vehicle
- If they are driving their own vehicle the school must ensure that it is taxed and safe to drive/has a current MOT
- Have business insurance

Records of checks will be kept *O:\Health and Safety\1. Health & Safety_Current\Driving for Work*

Transport - Traffic Management

The school will develop a written Traffic Management Plan with arrangements regarding on-site traffic safety. The plan includes:

- A site plan diagram showing traffic and pedestrian routes, loading and parking areas

- Site plan check sheet
- Safe system of work; this can be included in the site plan check sheet
- Risk assessments where necessary

A copy of which is located on the iAMCompliant.

Arrangements will be shared with employees and relevant third parties.

Violence and Aggression

Violent, aggressive, threatening, or intimidating behaviour towards employees, whether verbal, written, electronic or physical, will not be tolerated.

In accordance with the Corporate Procedure on violence and aggression, employees should be categorised using the control menu. Control measures will be documented on the Violence & Aggression Risk Assessment. The risk assessment will be shared with relevant employees and reviewed on a regular basis.

Employees must report all violent and aggressive incidents using the confidential online reporting system the '[Violent Incident Notification form](#)'. Incidents will be appropriately investigated, and control measures reviewed to reduce the risk of similar incidents occurring in the future. Incidents will be reported as close to the incident date as possible.

Violent incidents between children will be reported and recorded on the Arbor system. Parents will be informed. Persistent aggressive behaviours can then be tracked and monitored. In some cases, further paperwork would be needed e.g. Individual Behaviour Management Plan (IBMP) or risk assessment may be needed. This is outlined in detail in our Behaviour Policy. Members of the Senior Management Team monitor these incidents.

If a child is injured following violence between children, it will be reported as an accident on the online reporting system.

Visitors

All visitors must initially report to the main reception where they will be provided with the key health, safety, and fire safety information to enable them to act appropriately and safely in the event of an incident.

Visitors to the premises will be asked to sign in using the 'Sign in App' iPad and be presented with a visitor's badge and an information leaflet on the school's safety procedures.

Whilst on site visitors will be supervised by the Premise Team.

Vulnerable Persons

Where there are vulnerable persons (for example a young person, new or expectant mother, someone with a disability or temporary or permanent medical conditions etc.) working or visiting the premises, a risk assessment will be completed. Appropriate procedures will be implemented, and arrangements for the health, safety, and welfare of vulnerable persons on school premises will be suitably managed.

Work Equipment

All work equipment requiring statutory inspection and/or testing on site (for example, boilers, hoists, lifting equipment, local exhaust ventilation, PE equipment, climbing apparatus) will be inspected by appropriate competent contractors.

All employees will check work equipment prior to use. Any defective or suspected defective equipment must be removed from use, reported to the Premise Team and repaired or disposed of as soon as possible.

Staff are advised to wear footwear that is suitable to the daily routines. Flip flops and slippers are not permitted. Staff are to wear sensible footwear, e.g. trainers when carrying out more physical tasks e.g. PE lesson, moving furniture, bulb planting etc.

Work at Height

Work at height will be undertaken in accordance with the Corporate Procedure for Work at Height, and the Children's Services Health and Safety Team guidance. All general work at height will be carried out in accordance with the on-site general risk assessment. A separate risk assessment will be carried out for higher risk tasks.

The trained competent person for work at height on the premises will:

- Use steps, stepladders, and leaning ladders in accordance with their training
- Provide step stool instructional training briefs to employees
- Provide stepladder and steps training to employees using the Children's Services *Stepladder & Steps Safety* user PowerPoint presentation
- Carry out and record periodic inspections of all ladders, stepladders, and podium steps used on-site
- Remove access equipment from use if defective or considered unsuitable for use

The competent person for work at height, and all other employees, are not permitted to use any other access equipment for work at height without specific training. This includes the use of scaffolding, mobile towers, and mobile elevated work platforms.

School employees are not permitted to work on roofs unless suitable edge protection and safe access arrangements are in place.
