

September 2019

Times tables club

Dear Parents and carers,

As you may be aware, a multiplication check is going to be implemented into the year 4 curriculum this summer. In order to boost their confidence, build resilience and enable them to have fun with maths, we will be running a multiplication club for your children. These will be run twice a week by Mr Vyas (an upper school PTP) in the year 4 classrooms. During the club, they will have the opportunity to play a range of games and undertake challenges as well as being taught methods to help them recall their facts fluently.

The club will run from 3:00 until 3:30 on Mondays and Wednesdays. It will start on the 16<sup>th</sup> September and run until Wednesday 11<sup>th</sup> December. You will need to collect your child from Mr Barraclough's classroom at the end of the club.

Please indicate below which days your child is able to attend.

Any questions, please do not hesitate to ask.

The Castle Hill Team
