## WIN £5000 WORTH OF BOOKS:

Every year the National Book Tokens run a competition for schools to win £5000 worth of tokens for their school library to help encourage a love of reading amongst students. A school is chosen at random to win this prize, but the more nominations a school has the better chance we stand. You can nominate Castle Hill Primary School to be in a chance to win this prize by following this link: <https://www.nationalbooktokens.com/schools>. The form takes 1 minute to fill in and if we win the person who nominates us also wins £100 of book tokens.
