

Dear Parents and Friends of Castle Hill Primary School,

After the success of the Father's Day photo shoot, we have decided to bring out our creativeness once again in time for Mother's Day. The children can have a bit of fun using their imaginations with our backdrop and props on **Friday 18th March** which will also be a mufti day.

Each of the photos will be presented in a blank card frame so that the children can then take them home to decorate and personalise. (An envelope will be provided). **The charge is £3.00 per photo/family (siblings can be in one photo together and or separate).**

To order your photo please fill in the below form and return to school by **Thursday 17th March**. If you want the siblings to be photographed separately, please fill in a form for each child.

Many thanks
