

Castle Hill Primary School Fundraising Friends - Greenbank

26th January 2024

Dearest Parents/ Carers,

Mother's Day is just around the corner, a time to celebrate the incredible women who shape our lives with love, laughter, and endless support. This year, we will create a gift she will truly cherish, one that goes beyond the traditional chocolates.

We're excited to announce a special fundraising campaign, where you can personalise a 'Happy Mother's Day' cotton tote/ shopping bag with a personalized design on the back and also include a secret gift, all for just £5!

Here's how it works:

1. Fundraising Friends have purchased 'Happy Mother's Day' printed, cotton tote bags
2. The *children* will choose a design in our 'tote bag workshop': We have 2 designs to choose from. The children will personalise the back of the bag with a beautiful heart-warming message and a playful pattern with fabric paint.
3. Fill it with love: Each tote bag will come with a surprise gift chosen by the children - all carefully selected to bring a smile to her face.
4. Support a good cause: All proceeds from this fundraiser will go towards our outdoor improvements cause. You may have already seen the start of the 'Secret Garden' projects and the 'book nook', all of which the Fundraising Friends helped to purchase. By showing those special ladies in our lives how much you care, you'll also be helping to make a difference in our community.

You can purchase a space for your child, at the tote bag workshop online at <https://www.pta-events.co.uk/gbff>

Orders must be placed by **Thursday 29th February** at the very latest. We have 200 bags so this is strictly on a first come, first served basis. The workshop will happen during school hours and the bags will be home in time for Mother's Day on Sunday 10th March.

Thank you for your continued support.

Sincerely Yours,

Fundraising Friends – Greenbank Campus
