#### **ALLOTMENT PROJECT:**

Our Allotment is back to its former glory! Thanks to the help of the Prince's Trust Team at Hampshire & Isle of Wight Fire and Rescue Service, the allotment has undergone a complete revamp.

The volunteers have been very busy clearing away weeds, creating a new compost bin and painting fences, sheds to name but a few activities. It's looking terrific and I can't wait to invite the children back to the allotment club in the new year. The Prince's Trust Team have been working with a group of young people aged between 16-25 to bring the allotment back to life. Part of their 12-week program is to volunteer in community projects and this time we've been fortunate to have them at Castle Hill!

My sincere thanks to the team of volunteers that have helped the school and we will no doubt be seeing them again in the future for more projects. The Prince's Trust helps young people, who are not in employment or education, to gain valuable skills and complete qualifications. This year we've been fortunate that they have chosen us as part of their community project. This came at no cost to the school as they were able to fundraise for their project.

Thank you again for all the support. Looking forward to seeing children back in the allotment next Spring! Mrs Toobe

# TIME TO SHINE:

Year 5s in their bright/fluorescent clothing for Time to Shine day. They worked through some powerpoints about Road Safety and discussed how to be safe when cycling or walking at night.

#### YEAR 3 STONE AGE DAY:

To finish off our topic of the Stone Age, Year 3 spent a morning outside, participating in various activities linked with what we have been learning about in class. We made jewellery out of salt dough 'rocks', created pictures using a tree-rubbing technique and we got to sit around a smoky fire pit with a yummy hot chocolate to keep us warm! Mr Tutton was a huge help and taught us all about fire safety, also discussing how life would have been much harder for Cavemen and Women. It was a brilliant morning and it was the perfect way to end what has been a fun and interesting unit of work!

#### **BOOK DONATION:**

Thank you so much to Linda Dobinson for her kind and generous donation of her book 'Kerry's Party Sunday' and some bookmarks.

# HOMEMADE DECORATION:

Thank you, Daisy E, (Year 5), who kindly made a Christmas decoration for our school tree.

#### ODD SOCK DAY:

It was great to see so many children wearing odd socks at the start of our anti-bullying week. In classes, the children discussed what is meant by the term 'bullying' and what they should do if they felt that they, or someone they know, was being bullied. As part of this year's theme, they also discussed the difference that one kind word would make to someone's day and celebrated the fact that everyone is different.

### CHRISTMAS LUNCH/JUMPER DAY:

What a fun day the children have had today! Thank you to our amazing kitchen team who served up over 200 Christmas dinners to both staff and pupils.

**The Smarties Challenge** was a huge success raising £625 and with the match funding of £250 from Aviva (a parent from Year 5) meant a grand total of £875. Amazing!

Ink Bin has raised £14.25. Please keep sending any empties into school as every penny counts.

Mr Martin wanted to share his latest "hilarious" seasonal jokes:

How does King Wenceslas like his pizza? Answer: Deep pan, crisp, and even. I got a universal remote control for Christmas, it does change everything?
