

Subject Vision 2022-23

Subject: Physical Education

Leaders: A Barraclough (GB)/ I Scarr (RD)

Pupils at Castle Hill Primary School will be inspired by movement and physical activity and will be given the opportunity to think critically and creatively through the Physical Education curriculum. The curriculum will allow the children to develop their knowledge and application of skills which they will be able to apply to a range of sports and activities both now and in the future. The children will leave school equipped with the resilience, the perseverance and the positive experiences required for a lifetime of positive movement and physical activity.
