Parking Concerns

Dear Parents and Friends of Castle Hill,

We would like to remind parents and visitors of CHPS the importance of safe and courteous driving and parking around our community.

The school has received numerous serious parking complaints from parents, local residents, The Community Centre and Medical Centre (Rooksdown) regarding aggressive behaviour from individuals in relation to dangerous and inconsiderate parking. This is not acceptable.

We would like to ask all parents to report any incidents by calling 101, to help combat the consistent offenders.

Please refer to the school website <https://www.castlehillprimary.net/parents/travel-to-school> to read The Highway Code specifications.

This letter will be distributed to our local PCSO and posted on the school website and newsletter.

Thank you for your cooperation and vigilance in helping us eradicate this safety concern.

Mr J DF Martin and CHPS Team

Executive Headmaster
