

PARKING POLICY

Name of Responsible Manager / Headteacher:	Mr John DF Martin
Policy Owner:	Mrs Amy Rounce
Date of Policy Approval by Governing Body:	April 2017
Date of last Policy Review:	March 2022
Date of next Policy Review:	March 2024

Castle Hill Primary School is constantly working hard to ensure the children's safety, including at the start and end of each school day. In order to make school a safer place we ask that parents consider the following;

- Walk to school
- Park and stride - park further away from school and walk the last part of your journey (see attached map)

School Car Park

There is a school car park on site with limited spaces, which is also shared with Castle Hill Infant School. Parking is on a first come first serve basis.

Restricted Access through Vehicle Gate

A communication from Hampshire County Council, detailing a recent fatality in a Hampshire school has meant that we have had to review our current traffic management plan and make some amendments. With this in mind and with pupil safety being at the heart of our decision, we have implemented the following restricted access times. With immediate effect no vehicles will be allowed to enter through the vehicle gate and drive up the service road between the schools during these times:

- 08:30-09:15
- 10:30-10:45
- 12:00-13:00
- 14:45-15:15

The Neighbourhood

There is additional parking at the old Winklebury Community Centre and the Winklebury Centre. The school is fully aware of parking challenges parents face daily due to the limited spaces available, however in the interests of maintaining good relationships with local residents no driveways or parking bays should be obstructed. We also ask that parents don't park along Winklebury Way close to the school entrance, as this causes congestion to other road users at peak times. Access through the school gates must be maintained at all times.
