

SCHOOL FUNDRAISING

1st February 2022

Fundraising Friends – Queen Platinum Jubilee Project

We are taking part in an exciting project to mark the Queens Platinum Jubilee in 2022.

The children will be creating their own 'Queens Portrait' in school. We will send these drawings to 'School Fundraising' to be scanned and printed. All you need to do is keep an eye out over the next few weeks for a personalised order form coming home.

For each child there will be a Unique Code/QR code to enable you to purchase your child's design via the Online Shop to be printed onto the following items.

All monies raised will go to Fundraising Friends Greenbank. We can't wait to see what wonderful drawings the children create!

Yours sincerely

Castle Hill Primary Fundraising Friends

Here are memorabilia items that will be available to purchase with your child's design:

Tea Towels

Coasters

Cushion Covers

Mugs

A4 Print
