

8th January 2024

Year 3 - Dino Domes History Event
Rooksdown

Dear Parents and Friends of Castle Hill,

As a part of our upcoming History topic about Mary Anning and extinction, a mobile planetarium will be brought into school on the morning of **Tuesday 23rd January**. The children will be taken on an adventure where they will discover all about dinosaurs and what the world was like when they roamed the earth!

For this to take place, we are requesting a contribution of **£8.50** per child. This amount is calculated assuming that each child takes part and makes a contribution to ensure we raise sufficient funds. Please note should there be insufficient voluntary contributions, the school reserves the right to cancel or postpone the trip. Please also note that if your child receives Pupil Premium funding then the cost of the activity will be covered using their funding allocation.

If you would kindly make your child's £8.50 contribution on Scopay **by Tuesday 16th January**, then we will be able to assess whether this can go ahead.

Yours sincerely,

Miss A Reed

Miss R Bibby

Year 3 Team (Rooksdown)
