Year 4 Rooksdown – Swimming Lessons

Dear Parents and Friends of Castle Hill

You will be aware that Year 4 were due to start their swimming lessons on Monday 13th January. We received news from Kim Chapman Swimming in December that urgent maintenance work at QMC's pool needed to be carried out over the Christmas holidays. Unfortunately, we have just been notified that these works have not completed in time and the pool is still closed.

Working with Kim Chapman we will endeavour to re-schedule these lessons later this term and will be in contact as soon as we are advised of the new dates.

For those who have already contributed to the swimming transport cost, payment will be retained for the re-arranged dates. If for any reason we are unable to secure new dates, we will of course, arrange a refund.

Yours sincerely

Year 4 Team - Rooksdown
