

13th November 2024

Road Safety Week and Your Time to Shine Day

Dear Parents and Friends of Castle Hill

This year we are encouraging our children to participate in Road Safety Week which commences on Monday 18th November. The focus of this week is 'Road Safety Heroes'. During this week, the children will be completing different activities in their PSHE lessons to learn about the importance of staying safe when they are out and about, road accident victims and celebrate the work of the incredible number of people who come together every day to support families.

As a part of our Road Safety Week we will also be participating in the 'Your Time to Shine Day' initiative which is being held on **Friday 22nd November 2024.**

'Your Time to Shine Day' will be a day where the children will be encouraged to wear bright accessories over their school uniform to raise awareness of Road Safety. The message that we are focussing on is **Be Bright to Be Seen**, so this could be in the form of some bright socks, a bright headband, fluorescent wristband etc. Anything that will help them to be seen when it is dark outside.

Yours sincerely

John DF Martin and CHPS Team

Executive Headmaster
