Bulb Planting

Dear Parents and friends of CHPS,

On **Friday 18th October 2019** we will be holding our second bulb planting day, after the success of last year's event. All children will be engaged in planting bulbs around the school grounds with their class teacher.

We would really appreciate it if you could supply your child with a bulb (or bulbs) to plant. We are solely relying on donations for this event to take place. Consequently, it may result in the event being delayed or cancelled if we are unable to source enough bulbs for the event. Our bulb preferences would be bluebells and snowdrops, as these are readily available, although any kind of donation will be much appreciated – large or small!

We will happily accept any bulbs from now on, so please hand these to the class teacher.

Year R and Year 2 will take place at 9:15am – 9:45am

Year 1, Year 3 and Year 4 will take place at 9:45am – 10:15am

Please provide your child/children with a change of shoes (i.e. wellington boots or spare trainers) as the grounds may be damp on the day.

As this is a whole school activity, we would like to ask each family, if possible, to bring in their own safe tools (such as trowels and spades). The tools should be labelled with the child's name, so that we can return them to you.

As we can never predict the weather, we will **confirm** on Wednesday 16th October if the planting can go ahead, as well as if we have enough bulbs to go around.

Thank you in advance for your support.

The Castle Hill Team
