

5th December 2023

DT- Sandwich Making

Dear Parents and Friends of Castle Hill,

Within our DT topic this half term, on **Tuesday 12th December**, the children will be making sandwiches to eat as a treat in the afternoon. On the lead up to this, the children will be tasting different types of food to help them to decide which elements they would like to add to their sandwich.

So that we can ensure we have catered to all of the children's needs, please could you complete the below Google form no later than Friday 8th December.
