

Student Senate

Dear Parents and Friends of Castle Hill,

Next week each class will be voting for their new Student Senate representatives. Our Student Senate is a group of students (2 from each class) who are elected to represent the views of all pupils in their class and share them with Miss Jones (Greenbank) and Miss Wheble (Rooksdown), our Student Senate Leaders. As a school we will then try and implement some of their ideas. Although, it comes up every year.... a swimming pool is still sadly out of our budget!

Children will be asked by their teacher whether they would like to represent their class and will need to speak in front of their class to explain why they think they should be part of Student Senate. Children will then confidentially vote for children who they feel would represent their class well. The results will then be tallied and two children will then be chosen.

The elected children will be announced in an assembly the week beginning Monday 2nd October.

Miss Jones and Miss Wheble
(The Student Senate Team)
