

15th November 2021

Year 3 Stone Age Day

Dear Parents and friends of Castle Hill,

As a part of our Stone Age topic, we are planning on having a themed day on **Friday 19th November**.

We are hoping to complete a number of activities to mirror the lifestyle of a Stone Age person. This will include: making a Stone Age necklace using salt dough and string, bark rubbing, building a camp fire and enjoying a hot chocolate around the fire.

Please complete the following 'Google Form' to give your consent for these activities:

https://docs.google.com/forms/d/1_Qqba_VPK9CKubCcRXcwaKjO0hqa4x9HKks00P5loZo/edit?usp=sharing

Please be assured that activities have been risk assessed and a trained fire safety officer will be there to build, manage and supervise the fire at all times. The children may therefore come home smelling of smoke.

As we are planning on being outside for the duration of the morning, we ask that the children please wear suitable outdoor clothing. This should include a waterproof coat, welly boots or trainers and enough layers to keep them warm.

If you have any questions then please get in contact with your child's class teacher via Class Dojo.

Once again, we thank you for your continued support,

Miss R. Vickery

Miss A. Mould

Head of Year 3

Year 3 Class teacher

Mrs D. Bone, Mrs K. Beauclerk and Miss S. Unida

(Professional Teaching Partners)
