Stubbington Study Centre Residential

Dear Parents and Friends of Castle Hill

You may have seen in the Basingstoke Gazette or online that a consultation by HCC is currently underway regarding a proposal to build a new specialist secure welfare children's home on the site of Stubbington Study Centre. Our school was notified of this proposal just yesterday, at the same time it was released to the press.

We are working hard to put 'plan B' into place in case the planned residential with Stubbington does not go ahead in the Autumn term.

The deposits that have been paid will be retained and used towards either the Stubbington trip, should it all go ahead, or towards a new venue should we have to rearrange. As soon as we have any further updates we will notify you immediately.

Yours sincerely

Year 5 Team - CHPS
