

Subject Vision 2022-2023

Subject: Art

Leaders: A Lounton, A Reed & G Moses

To be reviewed September 2023

Art

At Castle Hill Primary School, we are committed to providing all children an opportunity to express their real and imaginary thoughts and feelings from EYFS to Year 6. Within this time, they will be exposed to a range of artists, illustrators and designers to inspire them whilst developing their own skills, confidence and imagination. This allows children to make links across the curriculum using our whole school thematic approach. Our vision is that this will allow them to recognise art's wider impact and how it helps them experience the world around them.

Throughout each of the key stages, children will be exposed to the following skills: drawing, painting, printmaking, textiles, IT, collage and sculpture. They will have opportunities to explore and develop these skills during their time at Castle Hill through lessons, our whole school 'Artist of the Month' and Art Week celebration. Art Week is a time where we all come together to practice, recognise and celebrate art across the school and the children's growing knowledge and skills set. We aim to nurture and encourage children's love of the subject through their use of imagination, abstract thought and originality.
