Through the teaching of music at Castle Hill Primary School, we aim to engage and inspire pupils to develop a love of music and to develop their talents as musicians. Our music curriculum is aimed at encouraging **confidence** in music, nurturing **creativity and originality** and developing technical skills. Pupils have opportunities to compose, listen to and enjoy a variety of musical genres, developing an understanding of the technical side of musical composition and experiencing the **enjoyment** of singing, playing and performing with **increasing speed and accuracy**.
