**Support us and you'll be helping families with life-threatened children to enjoy moments of fun, connection and belonging, and make memories that will last forever.**

## Creating memories

At Sebastian's Action Trust, we give families of children with life-limiting conditions the opportunity to enjoy the activities and experiences that many take for granted.

## Connecting families

Caring for a child with complex needs can be lonely and isolating. We bring families facing similar challenges together in a supportive community to connect, share and be understood.

## Compassionate support

At the Bluebells, our welcoming home-from-home in Hampshire, we offer families a place to relax, a listening ear and a welcoming sanctuary away from the daily cycle of medical appointments, drug routines and care plans.
