

## WELCOME TO THE EVENT BOX

A pop-up event in Basingstoke town centre, sitting amongst some of the most historic parts of the town, in the Market Place. The Event Box brings you four days packed full of activities for kids of all ages, along with a Comedy Club for over 18's on Thursday.

### WHAT IS THE EVENT BOX?

The Event Box is a giant inflatable cube situated in Market Place at the Top of Town. Yes, we know it's February, so the space is completely enclosed with heating for your comfort and enjoyment of the events. Each day from Monday - Thursday, The Event Box will be transformed into a different space, with everything from science experiments, learning to do magic tricks and immersing yourself in virtual reality. There really is something to suit everyone.

### HOW DOES IT WORK?

All of the day time activities are completely free of charge! Simply turn up and collect a wristband for the next available time slot (on a first-come, first-served basis) and enjoy the fun. Each time slot allows 30 minutes for guests to enjoy all The Event Box has to offer. Our fitness and comedy evenings both require booking online. Head over to our website for details.
