

**How do we cross
the road safely?**

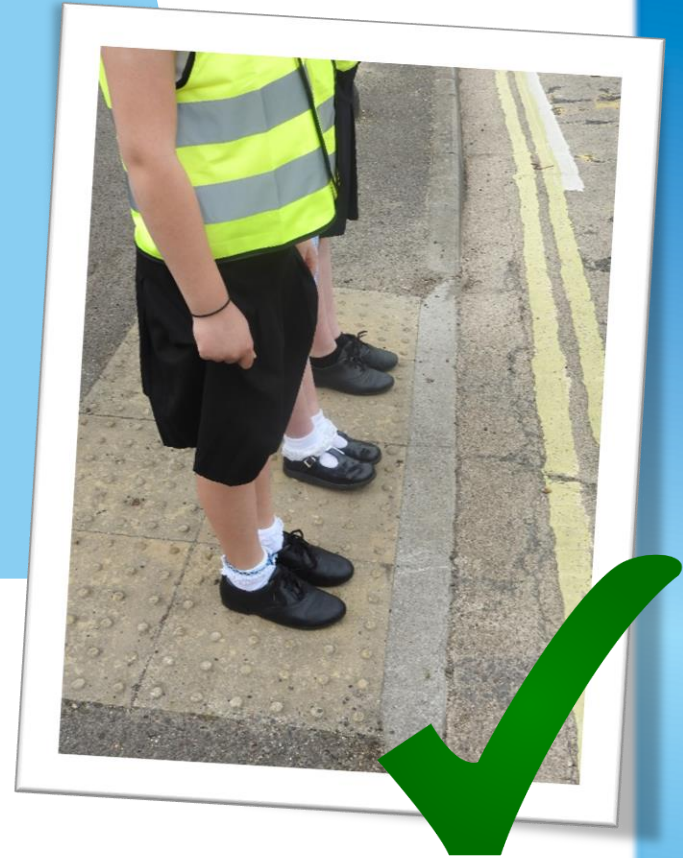

**We must use the
Green Cross Code**

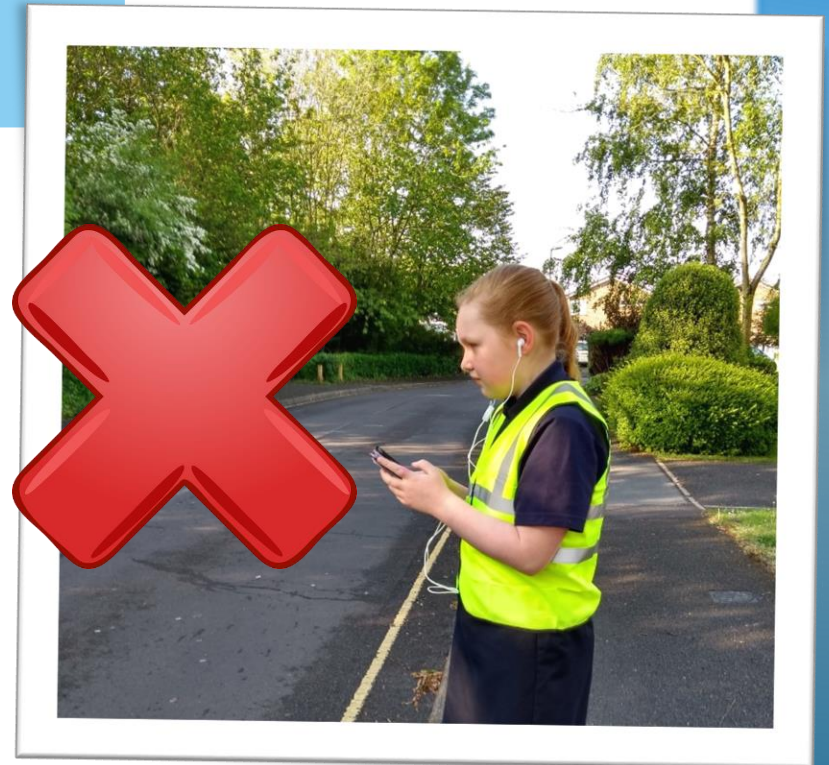

First find a safe place to cross and then stop

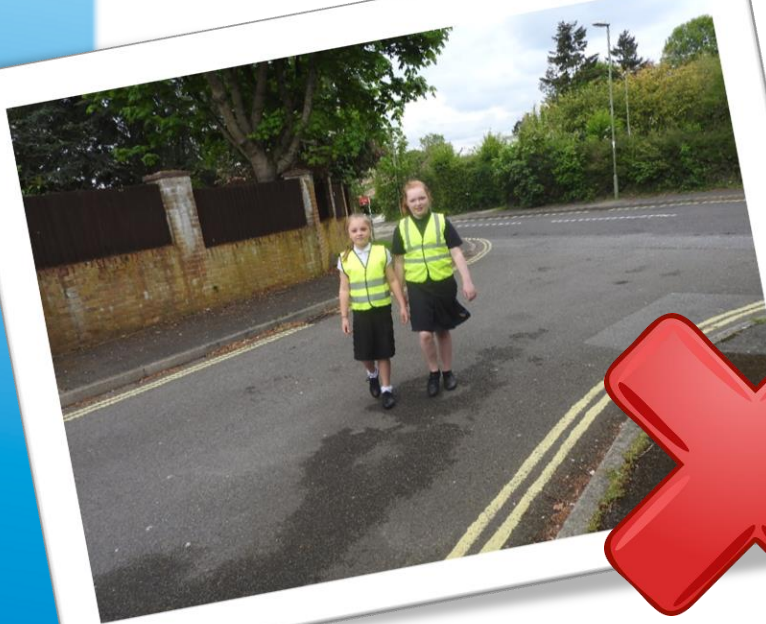

Stand on the
pavement near
the kerb

Look and listen for any traffic. Don't be distracted.

When clear, WALK straight across the road – not diagonally. Don't cross if there is traffic coming.

Keep looking and
listening for traffic
as you cross the
road.
Do not run.
