WELCOME

CASTLE HILL PRIMARY SCHOOL

Welcome to SCL

My name is Sarah Sim, and I am the site leader at Castle Hill Primary School.

At the SCL Active clubs we promote fun, learning and movement and every night we have a number of activities for the children to take part in.

All children will be able to have a healthy snack from our selection which varies each week.

We always have great fun at the clubs and provide a welcoming atmosphere, if you would like to pop in and see us for more information it would be great to see you.

WELCOME

WHO WE ARE

We are Ofsted registered activity experts who create engaging experiences for children to have fun, learn more and move more.

With over 20 years' experience in the active childcare industry, we have developed a unique approach to unlocking children's learning potential, nurturing their imagination, and engage children to discover new experiences.

SCL Active is inspired by the core principles of sport creating our Fun, Learn and Move approach to child development.

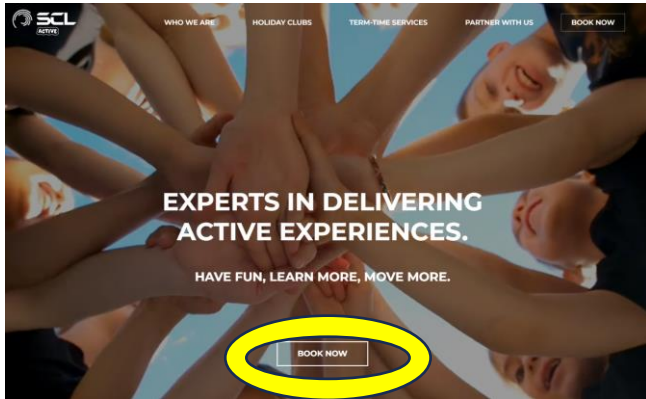

Our philosophy to learning is 'be active when learning'. Our themed, creative and adventurous sessions keep children active all day. From sports to arts and craft, all our sessions have an active foundation to them, developing little hearts and minds as well as winning them too.

FUN, LEARN, MOVE

HAVE FUN

ACTIVE FUN

We understand that the best way to influence children's development is by delivering engaging activities that create memorable moments. Your child's enjoyment is our passion, creating a fun and engaging environment is our focus.

LEARN MORE

ACTIVE LEARNING

We know that active experiences create opportunities to learn in new ways, nurture potential and develop an interest in learning. We encourage children to share what they have learned each week, to keep a track of their progress and provide positive reinforcement.

MOVE MORE

ACTIVE MOVEMENT

We believe in the importance of movement in a child's daily routine. Every activity we lead is driven by our fun, learn, move concept, focusing on a variety of skills and interests. We use the principles of sport and physical activity to ignite a lifelong passion for movement and wellbeing.

AFTER SCHOOL CARE CLUBS

The perfect way to end the day.

**ACTIVE
CARE**

Our After School Care Clubs provide an active, safe place for children to wind down after school, allowing parents to complete their working day with peace of mind.

We create active, engaging experiences designed to provide children with their recommended daily activity as well as a healthy snack of their choice.

We work closely with our network of schools to become an extension of their team. This allows us to create a bespoke offering which suits the needs of each of our schools, whilst supporting the themes and activities being taught in the classroom.

Our After School Care Clubs can be available every day that the school is open, depending on the school's needs.
