Year 1 Summer Holiday Homework

Dear Parents & friends of CHPS,

Welcome!

First of all, a big “hello!” from the Year 1 Team – we hope your children enjoyed meeting us and we can’t wait to get to know you all in September. This has been rather an unusual and challenging time, especially for your child in their first year at Castle Hill Primary School, so we hope to ensure a smooth transition into Year 1. There will be more opportunities to talk about expectations in the new term when we come back in September.

Classroom Environment

As well as introducing ourselves to you, we wanted to take this opportunity to reassure you that the beginning of the year will continue to be a play-based approach – a similar learning environment to your child’s previous reception class. You may have heard on the news a lot about children in school sitting in rows. Whilst this will have to be the case for many year groups throughout the school, this will not be appropriate for your children.

Homework

In true Castle Hill fashion, the children have continued to work hard right up to the end of the year, and it is very important that they get a break this summer. However, we appreciate that many parents wish for some holiday homework, so **if you would like to complete a holiday task**, please find details below:

The Year 1 Team would love to get to know your children better, especially what they like to read! Please complete the book review template attached about a book you read over the holidays (or for every book you read!) and bring it to us in September. We would love to display these in the classroom so that everyone can see what we love to read!

We hope you have a restful break, and we look forward to welcoming the children back in September for a fun-filled year.

Stay safe,
The Year 1 Team
