Year 4 Summer Homework

Dear Children, Parents and Friends of CHPS,

We loved seeing you on transition day and are very excited to see you all again in September. Whilst we understand you all deserve a well-earned break over the summer, here are some activities that you can complete alongside regular reading:

- In the new term, our theme is 'Courage and Heroism'. Can you make a poster for someone who you think has shown great courage?
- In the Autumn term our topic will be Romans. You could carry out some of your own research about the Romans and present it any way that you choose.
- All children must practice their times tables up to 12, using Times Tables Rockstars. All Year 4 children will take part in a statutory test in order to assess their times tables ability. More information will be sent out, but in the meantime Times Tables Rockstars is a great way to build your child's confidence, fluency and accuracy of their times tables.
- Please find attached the Years 3 and 4 spelling list. Work your way through these over the summer so that you are familiar with them in September.
- If you go anywhere over the summer holidays, even for a day trip, we would love for you to send us a postcard! Alternatively, you could keep a diary of all the exciting things you do over the summer.
- If you are ever at a loose end and wondering what to do with your time (as if!) then the National Trust have a list of 50 things to do before you're 11 $\frac{3}{4}$. There are some really fun activities on the list; how many can you do over the summer holidays? More information can be found via the website <https://www.nationaltrust.org.uk/50-things-to-do>, you could even put a picture of all of your efforts into a scrap book to show us in September.
- As a school, we are inviting you to take part in the '**stormbreak summer challenge**'. We will be working with stormbreak throughout next year and it would be a great way of introducing the children to different stormbreaks. Take a look at the flyer that is attached and on the school website to sign up.

We hope that you all have a great summer and we look forward to hearing about all your adventures in September!

Have a lovely and well-deserved holiday,

Regards,

Miss K Harding
Head of Year 4

Miss S Scarles
Year 4 Teacher
