Basingstoke

Dear Parent or Guardian,
I am writing to inform you that through a partnership with the school, TetraBrazil will be running an After School Sports Club for Year R.

Monday - Football Club	3:00-4:15pm
Friday - Multi-skills	3:00-4:15pm

What is Football Club?

An introduction to football through fun games and activities. Teaching children the basis of football and giving them the perfect opportunity to enjoy the game. Each session will involve drills and matches.

What is Multi-Skills?

Multi-Skills is a combination of fun games that will include skills used within sports such as athletics, rugby, football, cricket, tennis, team games and other sports. Each week there will be a different topic to introduce participants to each of these areas. This will all be achieved through Fun and engaging games.

How do the clubs work?

Once the school day has finished, children will be collected by the coach and the session will begin. Please send them with suitable clothing for an outdoor sports session, as their class teacher will get them changed in class at the end of the day. It can be their PE kit or alternative sports clothing. If they have PE on the day of the club they don't need to get changed. Children are encouraged to bring a coat if it is raining as the session will always be outside, unless the Coach feels it necessary to stay inside for safety reasons. Children will be brought through the main school car park out the main gate at collection time of 4:15pm.

To join our sessions, please head to the below website, register an account before selecting the Castle Hill Primary School After School Club for Year R that you wish your child to attend. Each session is £5.50 and is bookable in half-term blocks. If you encounter any issues please feel free to contact us on 07860938302 or email liam@tetrabrazilbasingstoke.com .

To book on, please visit the website below:
