### Year R Christmas Production

Dear Parents and Friends of Castle Hill,

As you may be aware, the Year R production (Wriggly Nativity) is fast approaching! This year, however, due to restrictions we are unable to come together to celebrate in our traditional ways through nativities/plays and carol concerts.

Christmas is an important part of our School Calendar and this year they will take place virtually. For the safety of all, we are currently not allowing parents on site. Productions are going to be filmed on a school video camera and sent to you via Class Dojo with a link to the school website, the video will be password protected and only the year group who has been filmed will be sent this password to gain access. In line with GDPR regulations, we are asking **ALL** parents to fill out a google form to give us more information by **Friday 19<sup>th</sup> November**.

The children will be provided with a further letter explaining what part they have been given, their lines and what costume they will need. The children's costumes will need to be provided by **Friday 3<sup>rd</sup> December**, in a labelled bag and left at school.

Many thanks,

The Year R Team
