## National Curriculum 2014 Planning Document

## Statutory Requirements Year 4

This document contains all of the statutory requirements of the National Curriculum (2014) broken down by subject. Please note this document should also be read in conjunction with the English and Maths appendices.

The document is to support the long, medium and short term planning processes to ensure both full coverage and progression. In the non-core subjects it is important that Key Stage teams plan for progression as this is not prescribed within the curriculum document. This document will form the start of the planning process and can be used as a monitoring tool to ensure all elements of the core areas are covered within the National Curriculum Year Group.

			ENGLISH			
Spoken Word	Word Reading	Comprehension	Writing – transcription	Writing – Handwriting	Writing – Composition	Writing – Grammar, Vocabulary and Punctuation
Pupils should be taught to:  Ilisten and respond appropriat ely to adults and their peers  ask relevant questions to extend their understan ding and knowledg e  use relevant strategies to build their vocabular y  articulate and justify answers, argument s and opinions  give well-	Pupils should be taught to:  apply their growing knowledge of root words, prefixes and suffixes (etymology and morpholog y) as listed in English Appendix 1, both to read aloud and to understand the meaning of new words they meet  read further exception words, noting the unusual correspond ences between spelling	Pupils should be taught to:  develop positive attitudes to reading and understanding of what they read by:  listening to and discussing a wide range of fiction, poetry, plays, non-fiction and reference books or textbooks  reading books that are structured in different ways and reading for a range of purposes  using dictionaries to check the meaning of words that they have read  increasing their familiarity with a wide range of books, including fairy stories, myths and legends, and retelling some of these orally  identifying themes and conventions	Spelling (see English Appendix 1)  Pupils should be taught to:  use further prefixes and suffixes and understand how to add them (English Appendix 1)  spell further homophones  spell words that are often misspelt (English Appendix 1)  place the possessive apostrophe accurately in words with regular plurals [for example, girls', boys'] and in words with irregular plurals [for example, children's]  use the first two or three letters of a word to check its spelling in a dictionary  write from memory simple sentences, dictated by the teacher, that include words and punctuation taught so far.	Pupils should be taught to:  use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined  increase the legibility, consistency and quality of their handwriting [for example, by ensuring that the downstroke s of letters are parallel and equidistant;	Pupils should be taught to:  I plan their writing by:  I discussing writing similar to that which they are planning to write in order to understand and learn from its structure, vocabulary and grammar  I discussing and recording ideas  I composing and rehearsing sentences orally (including dialogue), progressively building a varied and rich vocabulary and an increasing range of sentence structures (English Appendix 2)  I organising paragraphs	Pupils should be taught to:  develop their understanding of the concepts set out in English Appendix 2 by:  extending the range of sentences with more than one clause by using a wider range of conjunctions, including when, if, because, although  using the present perfect form of verbs in contrast to the past tense  choosing nouns or pronouns appropriately for clarity and cohesion and to avoid repetition  using conjunctions, adverbs and prepositions to express time and cause  using fronted adverbials  learning the grammar for years 3 and 4 in English

descriptio and where these poems and play scripts to read aloud and to narratives for the word. Pupils should be taught to develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design. Pupils should be taught:  to create sketch books to record their observations and use them to review and revisit ideas  to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for		Technology  Through a variety of creative and practical activities, pupils should be taught the knowledge, understanding and skills needed to engage in an iterative process of designing and making. They should work in a range of relevant contexts [for example, the home, school, leisure, culture, enterprise, industry and the wider environment]. When designing and making, pupils should be taught to:  Design  use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular	Pupils should extend their knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America. This will include the location and characteristics of a range of the world's most significant human and physical features. They should develop their use of geographical knowledge, understanding and skills to enhance their locational and place knowledge.  Pupils should be taught to:  Locational knowledge  locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities  name and locate counties and cities of the United Kingdom,	ŕ	taught to:  Ilisten attentively to spoken language and show understandi ng by joining in and responding  explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words  engage in conversatio ns; ask and answer questions; express		taught to:  use running, jumping, throwing and catching in isolation and in combination  play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending  develop flexibility, strength, technique, control and
