

The information you need THE VOICE YOU DESERVE

Parent Voice is a free information and advice service for parents and carers of disabled children aged 0 - 25 in Hampshire.

We provide a single point of contact for the information and advice you need for your child or young person.

Parent Voice members receive a free bulletin packed full of useful guides, training, consultations, activities and more. You will be better informed about local and national issues.

Parent Voice can provide a link between families and activity providers to ensure your child has a positive experience when accessing recreation and leisure.

We have workers who are local to you, developing networks and links to provide solutions to your individual queries.
