

Makaton

LEVEL 2 WORKSHOP

Level 2 builds on the knowledge you gained in Level 1 training.

Level 2 training provides a practical learning session on how to apply the Makaton Language Programme. The Level 2 Workshop builds on topics learnt from Level 1 training including; people, food, activities, objects and events. New vocabulary will also be introduced which is ideal for the school environment and work places. You will begin to learn more abstract concepts such as spatial locations, attributes, pronouns and actions.
