

Makaton

LEVEL 1 WORKSHOP

At your own venue

The Level 1 Workshop is the starting point for your Makaton journey.

It is recommended for people who need to use Makaton at home and in their work, to develop the communication skills of others.

Level 1 training provides a practical introduction to the Makaton Language Programme and a wider understanding of learning and communication difficulties. The Level 1 Workshop includes how to start using Makaton in everyday situations; immediate needs, home, familiar people, food, events, activities and objects. You will also discover hints and tips for effective signing and symbol use to maximise communication.

We can deliver level 1 training at your own venue with a choice of 2 half days or 1 full day.

From £300* for 1 day training £22 per delegate for resources.

Up to 15 participants at your own location.
