The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Targeted Support					
Desired outcome	Chosen action/approach	What is the evidence & rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
To increase engagement through the use of music to	Music therapy	Previous cohorts have accessed music therapy and have benefitted from this intervention. The Premium	MAPP recording will be used to monitor and evaluate progress.	RI/JG /DP	Half termly meetings to discuss progress –

maximise learning opportunities.		provides opportunities to engage and interact. Pupils are able to take a lead in the interactions.			progress will be recorded using MAPP
To increase communication opportunities and to generalise communication approaches.	Communication support with the eyegaze accessing	The eyegaze communication system requires intensive 1:1 sessions in order to assess progress prior to generalising the use of the communication aid, by providing specific input over the year we will be extending the opportunities for this to happen.	MAPP recording will be used to monitor and evaluate progress.	JA/JG /DP	Half termly meetings to discuss progress – progress will be recorded using MAPP
To increase reading comprehension and to generalise reading approaches.	Application of a Reading pathway through 1:1 support overseen by the Communication Teacher	The Reading pathway requires 1:1 sessions in order to assess progress prior to generalising the use of skills, by providing specific input over the year we will be extending the opportunities for this to happen.	MAPP recording will be used to monitor and evaluate progress.	JA/JG /DP	Half termly meetings to discuss progress – progress will be recorded using MAPP
To increase engagement and to develop turn taking skills	Intensive Interaction	Specific Intensive Interaction sessions will provide opportunities to build relationships with others and develop turn taking skills. As trust develops between the pupil and partner we would expect to see increased and sustained engagement.	MAPP recording will be used to monitor and evaluate progress.	JA/JG /DP	Half termly meetings to discuss progress – progress will be recorded using MAPP
<b>Total budgeted cost</b>					£3000

<b>6. Review of expenditure</b>	
<b>Previous Academic Year</b>	<b>2017-18</b>
<b>i. Targeted Support</b>	

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Estimated impact:</b> Did you meet the success criteria?	<b>Lessons learned</b>	<b>Cost</b>
To increase engagement through the use of music to maximise learning opportunities.	Music therapy	Music therapy has had a positive impact on engagement. Using engagement profiling we are then able to look for the indicators of high engagement and transfer these to classroom situations.	Music therapy input has contributed to increased engagement of the pupils, this has then had a positive impact on their learning.	£1600
To increase communication opportunities and to generalise communication approaches.	Communication support with the eyegaze accessing	Pupils who received additional access to communication sessions have achieved their target set in communication.	Supporting individual pupils with their specific communication needs has had a direct impact on their progress. Further impact has come through the generalisation of communication skills across the curriculum.	£1000
To increase engagement and to develop turn taking skills	Intensive Interaction	Intensive Interaction sessions have provided opportunities for pupils to build relationships with others and develop turn taking skills. MAPP scores show progress in wellbeing social and emotional targets, as well as communication.	As trust develops between the pupil and partner we see increased and sustained engagement which leads to a willingness and aptitude to engage in, instigate and lead communication.	£400
				<b>£3000</b>
