A selection of comments and responses

Here is a selection of some of the feedback received from this year's survey.

Thank you so much for all that you do!

We couldn't be happier with school. It is a warm, nurturing place that is kind and caring. Each child feels like they get treated as a unique individual. Seeing the school performance at Christmas was really emotional. To see how happy all the children were, how attentive and caring the staff were, was amazing. We really appreciate everything you do.

Since <our child> has started at Castle Hill the difference we have seen as parents is amazing, the love and care you give is second to none. We wish COVID hadn't got in the way or <our child> would of been with you a year earlier.

Thank you for all the help and support you give to us!

I would just like to mention that <the class teacher> has helped my little girl thrive this year. She has made leaps and bounds in her academic achievements. She has been an excellent teacher and deserves some recognition especially with this being her first year as a teacher.

We could not be happier with how for <our child> has come on her learning journey. She is always excited to go to school in the morning and seems to have a lovely day daily. Thank you so much to all the staff at Castle Hill.

All round fantastic school.

Castle Hill is a safe and a positive environment. My child has achieved so much, thanks to the amazing staff.

I would like to say that we are very happy with <our child's> progress, and her general care at school. All the teachers are fantastic and <our child> is very happy and well looked after. Any issues are resolved quickly and we all feel lucky that <our child> is able to attend a school like Castle Hill! Thank you to everyone!

Great school, great teachers and support. Thank you for making my daughter's day at school enjoyable!

I think Castle Hill School is a fantastic school and very pleased with the fab care that my child has received in just the short amount of time we have been involved. I feel that the staff are very well trained and knowledgeable about my child and have her best interests in mind at all times.
