7. I receive valuable information from the school about my child's progress.

8. I would recommend Castle Hill School to another parent.

A selection of comments and responses

Here is a selection of some of the feedback received from this year's survey.

Outstanding School management and staff members. A Big Thank You.

No questions, just one word - Exceptional - This is how I describe the school to anyone I talk to. The staff go above and beyond everyday to make my child and every child safe and well looked after and give them the equal opportunity to live their lives and complete their education - in a different but equal way.

My daughter loves the school more than home so that's all I need.

Our child loves school and is very excited to attend every morning. We look forwards to hearing about what he's got up to each day.

Please build an adult learning opportunities centre for when our child graduates next year!

Our child has achieved so much personal growth with the support of all staff at Castle Hill. The academic and enrichment experiences she benefits from bring her so much value and the bonds she has with the staff are lovely. We can't appreciate, recognise or recommend Castle Hill enough – thank you for all your hard work and care!!

My child is so happy to go into school every morning. I'm more than sure she is super happy in her new school as am I, and with communication very much so!

My child is well looked after and always looking forward to school. Happy.

It takes a special person to teach SEN children and help them grow, and Castle Hill do this with ease, care, passion, and drive. Thank you.

I have never felt so accepted and comfortable. You are the best team and bunch of humans I've ever met.
