Equality Duty

Policy Created	2017
Committee	Governors
Last review	October 2023
Frequency	Annually
Date to be reviewed	October 2024

Introduction

We recognise that the public sector equality duty (known as the PSED or the equality duty) has two parts: a general duty, and specific duties.

The general duty has three aims and they are to:

1. Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010.
2. Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
3. Foster good relations across all protected characteristics – between people who share a protected characteristic and people who do not share it.

The specific duties for schools are to:

1. To publish information to demonstrate how they are complying with the equality duty.
2. To prepare and publish one or more specific and measurable equality objective.

Aims and objectives

Castle Hill School will annually review how well we achieve these aims with regard to the protected groups under the Equality Act (race, disability, sex, age, religion or belief, sexual orientation, pregnancy and maternity and gender reassignment).

We aim to provide the highest possible education for all of our students. The ethos of our academy clearly reflects our commitment to fully including and respecting all members of our academy community.

We have set ourselves the following objectives:

- To ensure that staff and governors are aware of current legislation surrounding equality and diversity and understand the Trust's responsibility
- To promote cultural understanding and awareness and tolerance of different religious beliefs between different ethnic groups within our academy communities

- To promote mental health awareness and develop appropriate interventions where necessary
- Actively close gaps in attainment and achievement between students for all groups of students.
- Monitor and address any incidence of the use of homophobic, sexist and racist language in our academy.-
- To continuously review and revise the curriculum so that it represents a diverse culture and society and encourages tolerance and respect.

General Policy Statement

At Castle Hill School we intend to provide a safe, secure, caring environment where everyone is valued and respected equally. We aim to provide an inclusive education where pupils develop independent learning skills and are taught according to need whatever their age, gender, background, beliefs or abilities.

National legislation re disabilities, race relations and special education needs underpin this policy, which has also taken into consideration national, local and school policies on Special Educational Needs, Gifted and Talented, Equal Opportunities and Health and Safety.
