

Castle Hill School Council

School Council Funds

This year, we decided to spend some of the School Council funds that we have raised through the Cauliflower Christmas Card projects, to buy resources to benefit our pupils in school. We explored similar resources initially, then held a vote to find out which resources each class wanted us to purchase.

The resources have arrived in school. We are planning a launch of the new resources with School Council members from **Netherton Infant and Nursery School** very soon.

Easter Baking Competition

The School Council members were invited to judge the Easter baking competition. We enjoyed exploring and tasting the different cakes and buns and deciding who was the winner!
